

Second Grade

Students will begin checking out books approximately one week after the beginning of school. They will check out three books on their scheduled library day and may also visit the library as needed to exchange books.

Second grade students are working towards their Accelerated Reading Goal so they need to make sure that they always have their library books in their backpack. Students that do not return their books will not be allowed to check out another book until it is returned. Please help us teach students to become responsible library users.
